SPECIFICATIONS

This bid shall be awarded by each individual line item, not by any total of items bid. The State reserves the right to consolidate line items if it is in our best interest. The State may award to multiple vendors to achieve total quantities required. Vendors may choose to bid any or all items listed or partial quantities.

Tires: Tires must be new radial tires studded with steel studs. Sizes are listed in the below Bid Schedule, no substitute will be allowed. Brand and model for Expedition is Cooper Discoverer M&S or Mastercraft Courser MSR; for Crown Victoria brand and model is Cooper Weathermaster ST2 or Mastercraft Glacier Grip II.

Wheels: Wheels are to be new or OE take-off wheels. Wheels for each lot must all be alike and designed specifically for the vehicle (no multi-fit wheels). Specify wheel part number to be provided for each lot.

Sensors: TPMS sensors are to be OE or equivalent, must include mounting hardware, and must be recognizable by common scan tools (i.e., Snap-on or Bartec) .

Mount & Balance: Tires are to be delivered complete, with new valve (if valve not included w/ TPMS sensor) and balanced with NEW wheel weights.

Quantity Needed	Description	Quantity Provided	Price Per Each
50 ea	Studded Tire, Wheel, and TPMS Sensor for 2010 Ford Expedition; P265/70R17, 17x7 or 17x7.5 wheel, mounted, balanced, complete, ready for installation on vehicle. Wheel Number: _____ Tire Brand & Model _____	_____ ea	\$ _____
